## Message from the President

Dave Phillips

Congratulations to Charlie and Brian on winning the silver at the National Men's Pairs competition in Seattle. You did us proud!

And congratulations to Jerry, Rita and Jan Garret on winning the President's Cup Triples last Sunday.

August had been a good month - beautiful weather and many of our members being successful in the variety of competitions in the SWD. The last of our summer Bowls and BBQ was held on Sunday the 7th - great food (thanks to the Carpenters, Kelleys and Phillips) and another interesting game (9 hole golf bowling) thanks to Bob Carpenter. August has also been a busy month for private parties, which would not be possible without the volunteer efforts of many of our members (see Special Thanks page 2 below). We have another big one on Sept 10. September is the month we host the US Open Bowling competition on 9/17 -9/23 so remember to sign up to help in whatever capacity you can.

Happy bowling!

## Special Thanks

Without exception, you have made each of these events a huge success for our clients and for our club financially.

We have three more parties booked, so please sign up if you can help out.

## US Open of Lawn Bowling

Sat, Sept. 17-Fri, Sept 22

The US Open has been played in the United States since 1918. The tournament takes place over 6 days and has been played at various locations over the years. This is the second of five years that it will be held in Southern California. The event headquarters is at the Radisson Hotel near OC Airport and we will be using greens at Newport Beach, Laguna Beach, Santa Ana, Laguna Woods, Long Beach, The Groves and Costa del Sol.

Over 300 players from local clubs, other Divisions across the US and some foreign countries such as Australia, Thailand, Scotland and Canada will be playing. Men and women play separately in the three events: Fours, Pairs and Singles. Each event has several flight winners.

How can you help at the club? Many volunteers are needed to set up the greens, make coffee, take sandwich orders and pick them up, mark for singles matches and put equipment away at the end of the day. So come out and support your club. And buy some raffle tickets to support the US Open financially.

Check at the club for details or view the website at <http://www.usopenlawnbowls.com/>

## President's Cup Triples

This tournament was very well attended and the competition was fierce. It was the last of the club tournaments this year. They have been run by Tom Hargraves who has done a stellar job of organizing them.

Congratulations to all the players who attended this tournament. The standard of play was very high and was a credit to our club.

The winners were:

First- Jerry Grady, Rita Greenberg and Jan Garrett

Second- Noble Warrum, Sharon Grady and Ray Norris

Third- Don Stewart, Tom Hargraves and Dee McSparran

### Road trip to Coronado LBC

Twenty bowlers from Newport made their way to Coronado Island to try their new artificial green. The city has invested over \$200,000 to completely redo the green. The artificial grass was installed over a base of sand. Maintenance consists of blowing off the leaves of surrounding trees, rolling once a week, but watering is important to keep up the speed and keep the sand level. When wet, it was very fast and wide. As we played, the speed dropped. The weather was perfect, their hospitality was great, and everyone enjoyed the day.

## The Last of the Summer Barbeques

The green was transformed by our own golfing expert, Bob Carpenter and his co hosts, Emily, Jim and Ginnie Kelley and Dave and Joan Phillips into a 9 hole golf course. Bob put a great deal of thought into the planning of the course and the playing of the game so that it was a fairly accurate rendition of the game of golf. Scoring was kept by Emily and the winners at the end of 18 holes were Clark Westcott and Jim Reach. Jim won in a sudden death playoff.

The food was excellent. We had Bob's barbecued salmon with his special sauce and Jim's barbecued chicken with salads and desserts by the ladies.

The day set a high standard for next year's summer barbeques. All the BBQs this year were well attended and people will be looking forward to them again next year.
