## Message from the President

Our big membership drive is the annual OPEN HOUSE which is scheduled for May 12 at 10:00 a.m. till 4:00 p.m.. This year Myrna and Len are back in charge of the day but they need a lot of volunteer support from all our members. Please take a minute and look at the notice board to sign up to help out in a variety of ways. The flags and signs are already up on San Joaquin Hills Road and the Crown Drive entrance.

Next Saturday, May 5th, we want volunteers to do our annual spring cleaning. Be at the club at 9:00 a.m. to help out with cleaning the benches, trash cans, windows, etc. before we start the usual Saturday social bowling.

The weather interfered with a couple of our events last month, but two events went on as planned. Congratulations to Maryna, Heather and Eva on winning the Chris Hyland Triples, and Simon, Mert P. and Fred for winning the Vet-Novice triples event.

On May 1st, the Guest League kicks off and will run every Tuesday evening from 6:30 - 8:30 p.m. for the next two months. Contact Ray or Doug if you want to help out.

Happy bowling.

Betty Berish and Harold Deino, both former bowlers, passed away this year.

We wish Dave Phillips a speedy recovery from his shoulder surgery. He will hopefully be back to full form soon.

We hope Clark Wescott will soon be on his feet after breaking his hip in a fall from a bicycle. He should have stuck to bowling.

### **Law 25**      **Marking a Toucher**

- 25.1 A toucher should be marked with chalk by a member of the team that delivered the bowl or the marker as soon as it comes to rest.
- 25.2 If, in the opinion of either skip or opponent or the marker, a toucher comes to rest in a position in which marking it would be likely to move the bowl or alter the head, the bowl should not be marked but nominated as a toucher instead.

## World Bowls – World Cup Indoor Singles 2012 New South Wales, Australia

While I have no boasting rights with my results in this international competition, I'd like to share a few photos.

Indoor bowling on carpet rolling 17-18 seconds is most challenging. Granted, there are no outdoor elements like wind and rain to contend with, artificial lighting and air conditioning vents are actually effectual factors.

Win or lose, it was another exhilarating and memorable experience to be among the world's best bowlers. It is truly amazing to watch them consistently roll one effective bowl after another. USA's Neil Furman performed outstandingly and was only one bowl away from finishing in the semi-finals.

Thanks to those of you who shared words of encouragement and support. It was a great honor to represent the USA and Newport Harbor LBC in this international competition.
