## Message from the President

**Jerry Grady** has contributed his talents to many Club projects, including building our old score boards, which have served us well for many years. Unfortunately time and wear have made some of the chalkboards nearly unusable.

In early September, I was pleasantly surprised when **Dave Breedon** showed me the pilot model of the new score boards he has designed, built and gifted to the Club. They were first used on Tuesday, September 27<sup>th</sup>. The advantages of Dave's thoughtful design features, including the use of replaceable aluminum chalkboards, were immediately obvious. Hopefully we will all show our appreciation by minimizing the wear and tear on these beautiful new score boards.

### The Aussies are Coming!!

**Thurs, October 20<sup>th</sup> at 3:00 pm**

The Australian Police Bowlers Association will visit Newport Harbor on Thursday, October 20. They will join us for our regular Social Bowling & Potluck supper (note 3 pm start). There will be a total of 35 in their group of which 21 will bowl with us.

Club members are invited to bowl and stay for the potluck. Bring a dish to contribute to the potluck and the club hosts will supplement the potluck to accommodate our 35 guests.

*Sign up at the club if you plan to come.*
