Message from the President

Thanks to all the members who have stepped up to take responsibility for a relatively small but necessary function of the Club. However, we still can use 3 more volunteers, one to be the WEED KING, one to be the DITCH MASTER and one to be the PRINCE OF UMBRELLAS. The necessary tools and supplies will be provided. We could end with the Clubhouse and Greens being in **Open House Condition** every day of the year. How about that ???

If you haven't looked at the ORGANIZATION CHART on the wall outside the office, please do. You can see how many people are now contributing to make the NHLBC our source of pride.

Coast League

The 2016 Coast League starts on March 11 at Long Beach. Our club enters two teams of 6- each, consisting of two triples. If you would like to be considered for selection, please sign up at the club. We usually have more people wanting to play than available positions, but we do try to rotate bowlers so that most people will get an opportunity to play.

The selected teams will be posted at the club, one week before each match.

Wed, March 9th at 5:30PM at

PF Changs

Come and join the fun
