Message from the President

Fall is upon us. I want to thank our grounds keeper, Bruce Williams and his crew for keeping our greens the very best in Southern California. Bruce has posted on the greens and in the equipment sheds the "Rules Of The Green". I would like to ask everyone to follow the instructions. They will be enforced.

We had our Club Australian Pairs Tournament. Congratulations to our first place winners, Bill Buchanan and Ben Shaw, fantastic job. Thank you Mike Ruggles for all the hard work he did in running this great tournament. I also want to congratulate all of our club members who participated.

We had many first place winners in the Southwest Division tournaments for the month of September. Bill Brault won the Patrizzi/DeLisle 3-Bowl Pairs at MacKenzie Park. Anne Nunes won the California Bears tournament at Laguna Beach and also won The Groves Mixed Triples with Candy DeFazio and Brill Brault. Ron Cetta won the Newport Harbor 9/11 Rinks Cup and Robert Alessi won the Izzie Forbes Vet Novice Triples at Long Beach.

We had our first annual Newport Harbor 9/11 Rinks Cup tournament. I want to especially thank Lou and Shelley Cohen and Keno Shaw for all their hard work in hosting this wonderful tournament. It was a great success. I would also like to thank Tory Zweigle for the spectacular custom made trophy and the custom painted commemorative 9/11 bowls he had made for this tournament. We were honored to have the Newport Beach Fire Department roll the first bowl for the start of the tournament.

See you out on the bowling greens.

Ron Gill

NHLBC Rules of the Green

The following "Rules of the Green" are now permanently on our website under the "RESOURCES" tab. Please familiarize yourself with these important guidelines.

The continued excellence of our club facilities is dependent upon every member taking care of the greens. The guidelines below are intended to be a baseline for ways in which everyone can help preserve our club's most-important natural resource.

1. Do not remove the Green Closed sign or roll bowls on a closed green at anytime without permission from the greens Chairman.
2. No bowls shall be on the green when any maintenance equipment is on the green (lawn mower, green roller, etc.)
3. No drinking or carrying of any beverage on the greens at any time except water.
4. Do not drop bowls on the green from above the knee (approx. 2 feet or more). Please use caution when placing or removing bowls from the playing surface as dropped bowls can cause significant damage to the green.
5. Do not leave mats on the green for long periods of time. When you're finished bowling in one direction please remove the mat from the green.
6. Wear flat bottom shoes at all times on the green.
7. No animals of any kind shall be on the green.
8. Please do not walk across the front green to get back and forth to the back green and please do not cut the corners of the green.
9. Please check the Daily Greens Schedule for what green and direction to role
10. Lastly – please be mindful of over-worn areas of the greens and avoid practicing or playing on those areas whenever possible. Please avoid placing mats, bowls, or feet on these patches to allow them the time needed to be repaired.

Thank you for your cooperation.
