Message from the President

Happy Holidays to all of our club members.

It has been a fantastic year at the club. However, it sure has flown by. Our club is in great shape with 320 plus members as the year comes to a close. I have enjoyed my time helping steer the club in the right direction for the future growth of the club and club members. This was a joint effort with many hours spent with incredible volunteers. I want to personally thank the board for their hard work throughout the year. I was fortunate to work with so many wonderful people. They worked very hard to carry most of the load all year long. I would also like to thank all of the chairpersons on all of the committees and all of their volunteers who make our club the best in the USA. Having such dedicated volunteers contributing their time has made our club extremely successful.

I would like to recognize Mert Iacman. Mert was inducted into the Bowls USA Hall of Fame at the US Open in South Central last month. Mert has been a member of our club since 1992. Congratulations on your great accomplishment. I would also like to congratulate Chris Gaal for winning NHLBC Bowler of the Year for 2018. Job well done.

In closing, I would like to thank one of our new members, Tory Zweigle, for making a major donation to our club. Tory has designed and built a beautiful custom cabinet that holds our club trophies, the TV and stereo system. Tory has also made a second major donation that will be a fantastic upgrade to our club. He will be building custom kitchen cabinets and will be adding granite countertops. These will be installed soon. We appreciate all of your time and hard work for making this incredible upgrade to our club. Thank you so much for making our club a nice place to be proud of.

Please join us at the Annual General Meeting on Saturday, December 8th at 10:00 am. We will be making important decisions regarding the club for the year 2019. Below is the list presented by the nominating committee of those who are willing to serve and volunteer their time on the board for the next year, 2019.
