Wrong Bias Money Box

Our treasurer is asking us not to put our 25 cent fine for wrong bias in the small green boxes. She is not happy having to fight the spiders for every 25 cents that is put in there. Ring the bell if you feel you have to. Put the money in the larger moneybox in the equipment hut if you feel you have to.

Thank you for your cooperation.

Happy Birthday

Message from the President

Happy New Year! I would like to wish all of our members a very Happy New Year and a very prosperous 2019.

I would like to thank all of the members who voted for me to be your next president for the 2019 year. I also want to thank you for nominating the new board members and the continuing board member for this upcoming year. These club members are committed to volunteering their time to our club to make it the best lawn bowling club in the United States.

We closed the year 2018 with a total of 316 members. What makes our club so fantastic is our strong support system. We have 55 to 60 members on committees helping this club, volunteering their valuable time and services to make our club the best it can be.

The board will be reviewing and reaching out to various committee chairpersons to see if they still want to continue their volunteering efforts at the club. This will occur at our first board meeting of the New Year.

I have enjoyed this past year holding the position as the club president and I am looking forward to another year. I have thoroughly enjoyed meeting the new members and the continuing friendships with the existing members. Seeing our club grow this past year was very exciting and impressive. I look forward to working with everyone at our wonderful club and having a very successful and exciting bowling year ahead.

See you out on the bowling greens.

Ron Gill
