Message from the President

Winter is here with a punch. We have had a lot of rainfall in the month of January. Bruce Williams, our greens keeper, had to close the greens quite often due to the rain. He has been working on a mold issue on the greens. We are asking all our members to please not walk on the closed green so that we do not spread the mold to the other green. This way, we'll be able to keep the mold issue to a minimum and our greens will stay in tiptop condition.

Winter League is in full force and we have four gold and two silver teams. Both gold and silver teams are in first and second place in each of their divisions. Andrew Dufresne's gold team is in first place in the gold division and Bill Buchanan's silver team is in first place in the silver. Great bowling.

I would like to thank Mike Ruggles for setting up all of the Club Bowling tournaments for the year and for running these events. These tournaments take a lot of work and I know Mike would appreciate anyone volunteering to help him out. The first tournament will be the Valentine's Mixed Pairs tournament on Sunday, Feb 17th. The signup sheet is posted at the clubhouse. Sign up right away.

I also want to thank Barbara Taylor for her time organizing the team which is running the social events at the club. She is setting up events for 2019 now. We all know she and her team do a fantastic job.

See you out on the bowling greens.

Ron Gill
